Protecting the things that matter most

Our long-term care consumer video is a good way to show people how an LTCi policy can help them protect the things that are most important – spending time with family, staying in the home they love, and using their nest egg to make retirement dreams come true.

This short video tells a compelling story. Use it to get people thinking about the future and talking about their potential need for long-term care services.

- Show it in a face-to-face setting.
- Include it as a kick-off to an LTC seminar.
- Attach it to an email prior to meeting with a client.
- Use it to generate interest so people will want to meet with you.
